

Latin America Spanish Only

Distribution to online destinations, including media and industry websites and databases, through proprietary and news agency networks (DyN and Notimex).

In addition, the circuit features the following complimentary added-value services:

- Posting to online services and portals.
- Coverage on Newswire's media-only website and custom push email service, Newswire for Journalists, reaching 100,000 registered journalists from more than 170 countries and in more than 40 different languages.
- Distribution of listed company news to financial professionals around the world via Thomson Reuters, Bloomberg and proprietary networks.

Comprehensive newswire distribution to news media in 19 Central and South American countries: Argentina, Bolivia, Chile, Colombia, Costa Rica, Cuba, Dominican Republic, Ecuador, El Salvador, Guatemala, Honduras, Mexico, Nicaragua, Panama, Paraguay, Peru, Puerto Rico, Uruguay and Venezuela. Translated and distributed in Spanish.

Please note that this list is intended for general information purposes and may adjust from time to time without notice.
