

Asia Press Release

Distribution to regional, general news, financial and industry specific sites in English. Includes a photo. This distribution does not include any newsrooms, trade media or disclosure points. A distribution report will be generated that gives you a sampling of links where your release posted. The number of links you receive will depend on your industry and may vary from release to release. All of these sites receive or have access to PressRelease.com content, but how they use or display that content varies.

- Large portals and general news sites typically publish every news release that is sent on this distribution.
- Financial news, personal investment and stockbroker sites typically publish all news release s issued by publicly traded companies.
- Industry or topic-focused sites tend to publish only those news releases that are relevant to that industry or topic.
- Media and other sites use our content as source material for articles that are written by their own editors or journalists.
- Not all sites can render photos, but those that can, will show the photo with the release.
- Sites who post PressRelease.com content in JavaScript cannot be scanned, and will not show up in reporting.

Please note that this list is intended for general information purposes and may adjust from time to time without notice.
