Keishi,

Here's an edited version. I added qualifications at the bottom. I don't care if you keep in. I added for context.

Also, I'd like to do a bigger story on Sandra for our online readers. If we can get done by the end of the year — great. But, if not, we can do it in Q1 2026.

Thank you!

John

Good morning Marion,

Would it be possible for you to assist me in getting in touch with your marketing department? We are trying to do a press release and I wanted to get FW Inc review and approval.
