**Barbara Corcoran Brings the House Down at
Epique Realty's Shareholders Summit Day 1,
Setting the Stage for Innovation and Agent Empowerment**

Make Every Moment Count. The Future is Here and It is EPIQUE.

Houston, Texas, Feb 17 – Epique Realty's inaugural 2025 Shareholders Summit kicked off its first full day with a powerful lineup of inspiring speakers, transformative announcements, and groundbreaking new benefits for agents. Held at the Gaylord Texan Resort, the event brought together shareholders, real estate industry leaders, and innovators for a deep dive into the future of real estate under the theme: **"Past, Present and The Future is EPIQUE."**

A Keynote to Remember: Barbara Corcoran Brings the House Down

The highlight of the day was the keynote address by the **legendary Barbara Corcoran**, real estate mogul and **star of ABC's Emmy-winning *Shark Tank***. With her signature wit and wisdom, Corcoran captivated the audience with actionable advice and engaging stories of perseverance, reinvention, and fearless ambition. Her six key takeaways resonated deeply with attendees:

1. Perception creates reality.
2. There are two types of people: Expanders and Containers.
3. Hire happy people and fire complainers-they're poisonous to sales.
4. Fun is good for business.
5. Recognition motivates better than money.
6. The best successes happen on the heels of failure.

“Epique Realty is leading the way in transforming real estate, and it was an honor to share my insights with such a forward-thinking community,” Corcoran remarked. “This team is redefining what’s possible.”
