A book by Patrick Barney - Artist, Author, Teacher. I wrote and illustrated this book, and have an online version that is free to read, and intend to have this until at least the end of June 2020.

It's an activity book with a story, mazes, word searches, and color-in pages.

Story: A boy who's scared about the Coronavirus Pandemic has a remarkable and unusual experience that teaches him about beauty and dangers in the world - and how he ought to be. ([link](#))
