

Step 1: Download TaskCause on iOS or Android and browse a list of verified nonprofit organizations.

Step 2: Select a cause that speaks to you. If you want a nonprofit organization listed, help spread the message!

The screenshot shows a mobile app interface for 'Hello Baby NFP'. At the top, there's a header image of a young child playing with a colorful toy slide. Below the image, the app's name 'Hello Baby NFP' is displayed next to a circular logo with the text 'hellobaby'. Below the name, there are three statistics: '3 MEMBERS', '\$40 RAISED', and '4 DONATIONS'. A section titled 'About Hello Baby NFP' follows, containing a paragraph about the organization's mission. At the bottom, there are three social media icons (Twitter, Facebook, and a link icon) and a green button labeled 'Start Fundraising'.

### About Hello Baby NFP

HelloBaby is a nonprofit with a mission to support, empower, and inspire families raising young children in underserved neighborhoods in Chicago. We provide free drop-in childcare services to provide development and love to the babies of our future. All children deserve the opportunity for safe and inspired play, regardless of their family's financial situation. With your help, we can lift up parents and support children during the most crucial time of their growth.

  

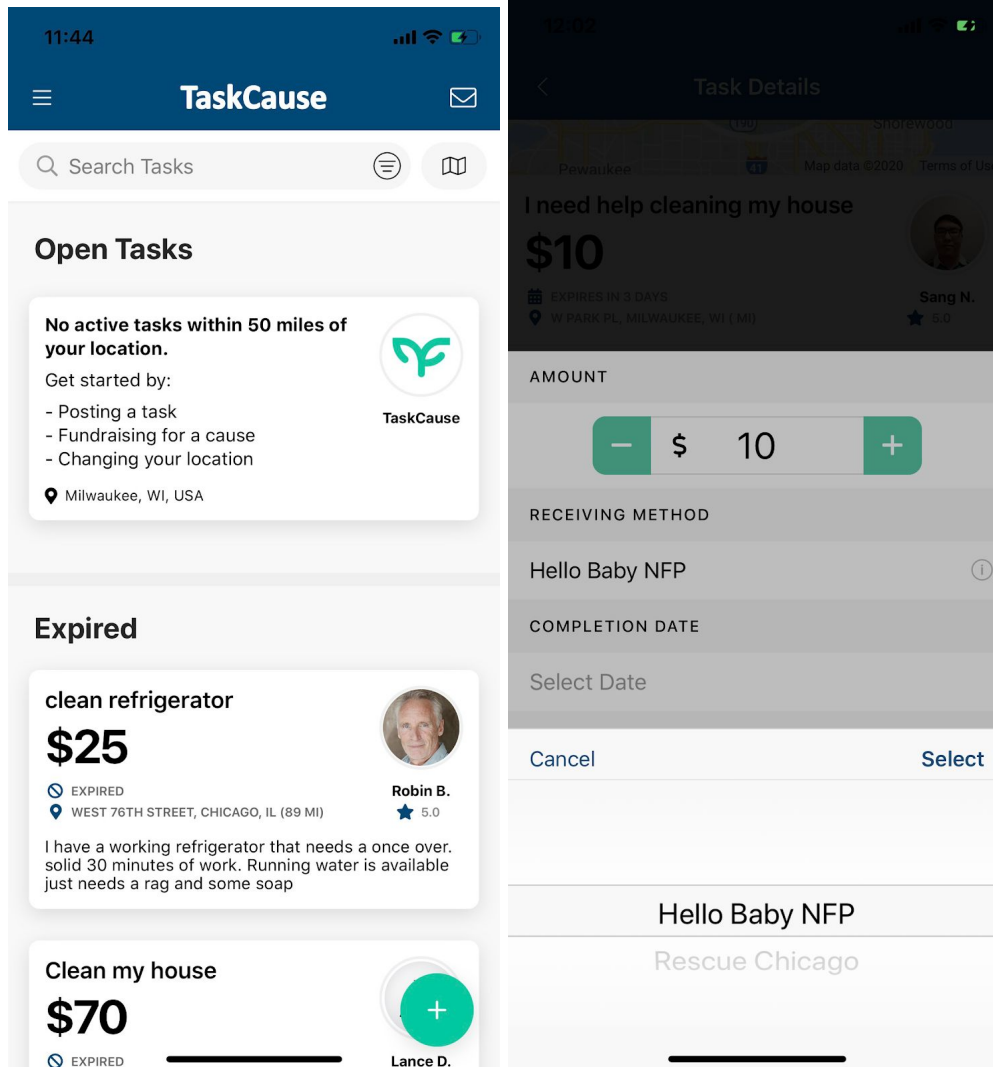

**Start Fundraising**

Step 3: After joining the organization, Start Fundraising by sharing your cause and encouraging friends and family to post a task on TaskCause.

Step 4: Browse list of open tasks and submit offers to complete them. You choose which nonprofit you're supporting when you submit the offer. You can even choose to do the task to earn money. This information is made transparent to the task poster.

Step 5: Once the task is marked complete, payment minus a 5% transaction fee will be transferred to the cause you chose when you submitted the offer.
